LETTER OF RECOMMENDATION

Date : 07 May 2025

It is with great pleasure that I write this letter of recommendation for **Aadhya Mehta** who has successfully completed the internship as a **Engineering** at Athenura.

Throughout his tenure, he consistently demonstrated a high level of professionalism, dedication, and commitment to assigned responsibilities. He showcased a strong understanding of core concepts related to his domain and applied his skills effectively to deliver quality outcomes aligned with organizational goals.

His ability to understand requirements, execute tasks with precision, and maintain attention to detail contributed positively to ongoing projects. He consistently met deadlines, collaborated efficiently with team members, and showed a proactive attitude toward learning and continuous improvement.

His performance reflected not only technical competence but also a positive mindset, adaptability, and strong problem-solving abilities. He proved to be a dependable and valuable contributor to the team, and his efforts were appreciated by both peers and supervisors.

I am confident that he will continue to demonstrate the same level of excellence, professionalism, and dedication in his future academic and professional endeavors. I wholeheartedly recommend him for any position or opportunity related to his field of expertise.

Sincerely,
Sameer Singh
